Calhoun Physician Recognized at National Conference

For Immediate Release

CALHOUN, Ga., May 16, 2011 – Harbin Clinic Family Practice Physician Ken Howard served as the Minority Convener at the recent National Conference of Special Constituencies of the American Academy of Family Physicians. The conference was held May 5-7 in Kansas City, MO and is one of the largest of the American Academy of Family Physicians meetings. Dr. Howard also served as the Chair of the Minority Constituency Committee of the American Academy.

Dr. Howard joined Harbin Clinic in 1998 and practices at 1060 Redbud Road in Calhoun, Ga. He is best known for his commitment and service to patients. Along with seeing a full schedule of patients in his office, he is one of only a few doctors who make house calls on elderly patients who cannot get to his office.

Dr. Howard earned his medical doctorate degree from the Medical College of Georgia and is Board Certified by the American Board of Family Practice. Dr. Howard is also a preceptor for medical school and nursing students.

Harbin Clinic is Georgia's largest multi-specialty physician group with more than 200 providers in 22 locations throughout North West Georgia.
